

A stronger more equitable Aotearoa New Zealand

We stand for

- ✓ Equity for Children, Young People and Families
- ✓ Empowered and Inclusive Communities
- ✓ Action on Climate Change and Environmental Regeneration

The Tindall Foundation supports initiatives that have intergenerational impact, long-term benefits and reduce inequality. We prioritise Te Ao Māori knowledge and aspirations and encourage joined-up approaches that make a difference from grassroots to system change.

Our approach to Whānau / Family giving

Equity for Children, Young People and Families

Improving intergenerational wellbeing by supporting children, young people and families to thrive now and into the future.

- ✓ Early years (0-5) development & parent support
- ✓ Families to live affordably, independently and sustainably
- ✓ The wellbeing of children and young people
- ✓ Family harm prevention

Our approach to Community giving

Empowered and Inclusive Communities

Supporting communities to be empowered, inclusive and to lead positive change.

- ✓ Regional development & wellbeing
- ✓ Tangata whenua wellbeing and aspirations
- ✓ Identity and belonging
- ✓ Tangata whenua youth and community sector
- ✓ Growing key leaders
- ✓ Growing generosity
- ✓ Impact Investment
- ✓ Eastern Pacific

Our approach to Environmental giving

Action on Climate Change and Environmental Regeneration

Connected approaches that address climate change, enhance, biodiversity and promote kaitiakitanga of our land, ocean and waterways.

- ✓ Climate change and just transition
- ✓ Environmental regeneration, protection and education
- ✓ Mātauranga Māori
