

Requirements

The Tindall Foundation Donations

✓ Charitable Status

To receive a donation from TTF:

You must show charitable purpose. This includes being either a charitable trust, incorporated society, or marae. Organisations without charitable status must clearly demonstrate the charitable purpose of the initiative seeking funding and show how the not-for-profit activity is separated from any for-profit operations. If you do not meet these requirements, you may be able to receive a donation through an umbrella organisation.

✗ Focus Areas Outside Our Scope

We cannot support:

- **Medical or clinical services**, including care, equipment, research, or facilities related to physical health, mental health, or addiction. This includes initiatives where eligibility is based on having physical health, mental health, or addiction issues.
- **Disability services**, including services, care, equipment, research, or facilities where eligibility is based on living with a disability.
- **Core education**, including curriculum-related activities in schools, early childhood centres, or tertiary institutions (e.g. programmes, scholarships, equipment).
- **Sport and recreation**, including sports clubs, events, trips, competitions, and sporting equipment.
- **Arts**, including drama, performing arts, museums, and galleries
- **Animal charities**.
- **Religious or political advocacy**, including religious advancement, political lobby groups, lobbying, or promotional/marketing campaigns.

✗ Ineligible Expenditure Types

We cannot support:

- Buildings, land, capital works, major assets, vehicles, or property purchases.
- Support for individuals, including scholarships, international travel to conferences or events, or personal research.
- Personal loans.
- Endowment funds.
- Venture capital initiatives.
- Sponsorships.

✗ Location Restrictions

We cannot support:

- Overseas projects or travel, including international initiatives, travel expenses, and exchange programmes.

✗ Timing Restrictions

We cannot support:

- Urgent or retrospective applications.
